## About eggheads

What does it mean to be an egghead? It means that you're shaping the future of this world's product data, the future of our company, as well as your own future all at the same time. As one of the fastest-growing B2B SaaS and On-Premises Software developers in Europe, we've got a cool software product, a wonderful team consisting of more than 85 eggheads, and a market waiting to be tapped into. By now, we're counting more than 2,000 B2B users, yet we also have ambitious goals: It's our objective to build the leading PIM platform in Europe. Our corporate philosophy is to hire people just like you – goal-oriented, far-seeing outside-of-the-box thinkers who want to make an impact on the team. Ready to become an egghead?
